A Warm, Supportive Play-based Program

For Parents and Young Children (birth to three)

A joyful time for relaxation and happiness,
Nourishment for parents and children as we learn and grow together.
An indoor and outdoor program: in the cottage, in the garden and the nearby
parkland and bush.

We will be cooking, making stories together, learning songs, and will take part
in games for young and old, puppetry and toy making.

When: Each School Term: 9 week program.

Cost \$240 per term.

Parent Education Discussions at each Play Morning

A place for questions and developing answers:

Creative discipline for challenging behaviours.

Understanding Stages of Children's development.

Parenthood as an ever- evolving adventure of loving and learning.

Learning skills to support home – making for yourself and family.

'What is 'Steiner Education'?

Routine, rhythm and ritual: how to create and practice them to support you and your child and family.

Boundaries for child and family safety (physical, emotional, social)

Celebrations: how to create meaningful celebrations for your family: birthday, seasonal.

Health and Illnesses: how to support healthy daily living and what to do in times of trauma and illness.
