

# Glennaeon Playgroups

Glennaeon offers a range of family-style playgroups which are joyful, nurturing and supportive of the young child's developmental stages. The intention is to nourish the body and soul through activities and interactions that capture the imagination and allow parents and their children to enjoy a good time together.

Glennaeon Rudolf Steiner School 'Welcome Home' Playgroups are suitable for children from birth to 4 years

Each Playgroup meets once a week and is led by an experienced Early Childhood Educator who guides the group through a two-hour session that includes stories and songs, circle activities and free-play both indoor and out. The activities and stories reflect the seasons of the year with bread baking a cornerstone of the program. A shared morning tea is provided and everyone takes home skills for crafting life from domestic arts and sciences.

Our Playgroup room is furnished with quality wooden and handmade toys while the natural bush playground is a haven for exploration and active tactile play. Playgroups are a great learning experience for children, parents and grandparents. The needs of the playgroups are met within the structure and routine created by the educator.

Parents benefit from the maturity, wisdom and experience of the nurturing playgroup educators. Facts are shared

about child development and successful resilience building within families. New skills are acquired while relationships flourish among children and adults.

Playgroups Leaders Sandra Frain and Nancy Amini are professional Educators with decades of experience creating dynamic and tailored educational programs for children and their families in a unique celebration of life.
