Meaningful Lives

Glenaeon's family-style Playgroups are joyful and supportive of you and your child's development. Our highly skilled Steiner Playgroup Educators create imaginative activities to ensure families enjoy an enriching, uplifting time together.

Each Playgroup meets once a week and is led by a qualified Steiner Early Childhood Educator who guides the group through a two-hour dynamic session including adult discussion.

Stories and songs, circle activities, and free-play both indoors and outdoors reflect the seasons of the year.

A shared nourishing morning tea is a cornerstone of the occasion.

Everyone develops multiple skills for crafting a happy, healthy home.

Our colourful Playgroup rooms are furnished with quality handmade toys, while natural gardens are a safe haven for explorative, active tactile play.
